**This is how it's going to work!!!**

Please bring and do the following:

1. A 6 ft. leash (Please no retractable leashes), and collar.
2. Let your dog relieve himself/herself just before class.

I suggest you show up around 15 minutes early to do this. In fact it is a good idea to take a 10-minute warm up walk with your dog just before class. This will help relax your dog.

*\*NOTE: Do not kick, hit or yell at your dog, this is not permitted at On Command Dog Training. Also please no smoking during the class.*

Thank you for giving On Command the chance to help you and your dog grow closer and understand each other.

If you have any further questions please feel free to call 775-851-4526.

The cost is \$145.00 for an 6 week class. So if your class starts on Saturday at 10:00 am, it will be every Saturday thereafter, until the full 6 weeks are up.

## Commands To Be Learned

- 1) “Sit”; this command will be part of getting an Evaluation of your Dogs’ temperament.
- 2) “Down”; this is a submissive position (I will explain this in more detail at the class.)
- 3) “Heel with auto sit”; this is helpful in preventing you and your dog from being confused from too many verbal commands.
- 4) “Stay”; it is very important that your dog stays where you put him\her. This will prevent unwanted problems, and keep your dog safe.
- 5) “Come”; is important if you want to start working with your dog “off leash”. It will give you and your dog the ability to go anywhere and have fun, and you will have control.
- 6) I will also be able to help you with any behavior problems that you may be having.

You will learn a lot more about the commands, and more about why we are teaching them to our dogs as the classes go on.

*\*NOTE: Remember your dog will need a lot of practice to be able to recall the commands.*

**Each Dog is an individual and will learn at his\her own pace. Don’t be embarrassed by your dog’s behavior, he\she is only doing what dogs do.**

**What is wonderful is that all dogs are willing and happy to learn what you want of them. This will make it possible for you to have some fun outings and a good relationship with each other.**

**This is what training is all about, creating a good bond between you and your dog.**
